1 FORMAL CONSIDERATION

In consideration of the Supplier undertaking obligations under this Agreement, the State must pay the consideration of ten (\$10) dollars on demand by the Supplier.

2 PANEL ARRANGEMENT

- 2.1 The State appoints the Supplier as a member of the ‘Digital Market Place Panel’.
- 2.2 Subject to clause 2.3, the terms and conditions of this Agreement are set out in Schedule 1.
- 2.3 The Schedules of this Agreement may be varied by the State from time to time upon prior notice to the Supplier. Where the State exercises this right, the variations to the Schedules will become binding upon the Supplier for any Customer Agreements executed by the Supplier after the date on which it received notice under this clause.
- 2.4 As a member of Digital Market Place Panel the Supplier is authorised by the State to enter into Customer Agreements with State Agencies for the provision of Services which fall within the Scope of Services as outlined in clause 2.5. The Supplier cannot provide Services under a Customer Agreement which do not fall within the Scope of Services.
- 2.5 **“Scope of Services”** means ICT services which are low risk, have a total contract value not exceeding \$100,000 (including GST) and which do not include:
 - 2.5.1 ICT system audit services;
 - 2.5.2 ICT system development, implementation, maintenance or support services;

For the purposes of this definition, Services are deemed to be 'low risk' where the State Agency seeking to purchase the Services has determined them to be low risk under that Customer's standard project risk assessment framework;

- 2.6 The Supplier must not knowingly provide a quote(s) to a State Agency for Services where the value of services to be provided by the Supplier to that Customer has been divided into parts so as to give the impression that the overall value of the Services is equal to or less than \$100,000 (including GST) in order to circumvent the provision in clause 2.5 above.

3 FORMATION OF CUSTOMER AGREEMENTS

- 3.1 In order to contract for low risk Services under this Agreement, a State Agency must enter into a Customer Agreement with the Supplier via a CA Memorandum as set out in Schedule 3.
- 3.2 The Schedules contain standard terms, conditions and requirements applicable to all Customer Agreements as well as additional requirements which may be included for particular Services.
- 3.3 If requested by the State, the Supplier must notify the State of each Customer Agreement it enters into with a State Agency and must provide a copy of the Customer Agreement Memorandum to the State's Principal Contract Administrator.
- 3.4 The Supplier is in breach of this Agreement if it enters into a Customer Agreement on terms other than as provided for in this Agreement without having first obtained the written approval of the State's Principal Contract Administrator.
- 3.5 Neither Party is bound by any terms of a Customer Agreement that are inconsistent with this Agreement unless the prior written approval of the State's Principal Contract Administrator, in respect of the inconsistent terms, was obtained.
- 3.6 Items 1 to 6 of the CA Memorandum must be completed in order to form a valid Customer Agreement.
